

COVID-19 Resources for Businesses

We have received many questions regarding the potential closing of businesses and services in Bergen County as a result of Executive Order 2020-1B, issued by the Bergen County Executive, which was set to take effect on Saturday, March 21, 2020 at 8AM. At the specific direction of the Office of the Governor of the State of New Jersey, the County Executive has rescinded Executive Order 2020-1B and it will not take effect. As a result, none of the business closings per E.O. 2020-1B will take effect. To be sure that your business is not otherwise subject to closure, however, questions should be sent to the state or visit the website below.

Please find the link below to the Governor's Executive Orders to find the most recent listing of closures [Here](#)

The County is working around the clock to fight the spread of the Coronavirus (COVID-19) throughout Bergen County, and we thank you for your patience and continued cooperation during this time.

At this time, the following are various resources to assist in coping financially with the COVID-19 public health crisis:

Get access to disaster recovery information you need and register your business for services.

Information from the New Jersey Economic Development Authority and/or contact the EDA.

Search information on COVID-19 and its impact on business, and submit a question via chat function.

Small business owners in the following designated states are currently eligible to apply for a low-interest loan due to Coronavirus (COVID-19)

JPMorgan Chase announced a \$50 million global philanthropic commitment to address the immediate public health and long-term economic challenges from the COVID-19 global pandemic

List Of Banks Offering Relief To Customers Affected By Coronavirus (COVID-19)

Find out how Facebook will be providing \$100 million in cash grants or advertising to small businesses

Unemployed workers: see which employers are hiring now (and check every week).

Businesses: list your available positions and connect with recently unemployed workers to fill them

UCEDC Offers 2% Working Capital Loans for COVID-19 Crisis Relief
