JOIN CREATIVE HACKENSACK!

Online Meeting | April 22, 2020 | 5-6p

Creative Hackensack, led by the Main Street Business Alliance's Creative Arts Team (CAT) in partnership with the Northern NJ Community Foundation's ArtsBergen, is a creative placemaking initiative working to make the City of Hackensack an arts destination and a place where the arts can thrive.

The City of Hackensack was awarded a technical assistance grant from Together North Jersey (TNJ), who will be presenting on current work to reimagine Demarest Place. You will hear from the TNJ project team and have the opportunity to share your thoughts, ideas, and creativity for how to make Demarest Place an exciting destination in downtown Hackensack.

Are you an artist, designer, musician, writer, dancer, performer, business owner, non-profit administrator, arts lover - or simply want to see a better Hackensack via the arts? Join this webinar to:

- * **LEARN MORE** about creating an "Arts Walk" on Demarest Place.
- * **CONNECT** with like-minded creatives.
- * **SIGN UP** to get involved in helping make an arts project happen.
- * **GET INVOLVED** in growing the arts culture on Main Street and beyond.
